Understanding Our Device Grades

Get a fantastic device for a fraction of the cost of new!

New

Pristine, factory-sealed condition. The device has never been opened or used, representing the absolute peak of eco-precision.

Opened - Never Used

Box opened, but the device is untouched. Often returns or display models that have never been powered on.

Excellent - Refurbished

Minimal to no signs of wear. Thoroughly tested, cleaned, and restored to near-perfect functional condition.

Very Good - Refurbished

Light signs of wear such as minor scratches on the body, but the screen is immaculate. Fully functional and meticulously inspected.

Good - Refurbished

Visible signs of wear including scuffs or deeper scratches. 100% reliable, functionally perfect, and our most budget-friendly eco-option.
